

PALM OIL SUPPLIERS & MILL LISTS

January - June 2024

FERRERO'S COMMITMENT TO THE RESPONSIBLE SOURCING OF PALM OIL IS AT THE CORE OF OUR STRATEGY

- **We are committed to sourcing RSPO Certified Segregated (SG) Palm Oil that is traceable to plantations.**
- We are aware that the palm oil supply chain faces environmental and social challenges and, through active collaboration with NGOs, key stakeholders, and suppliers, we work to secure a **deforestation-free, and exploitation-free palm oil supply chain** with actions that go beyond basic requirements and certifications.
- **Traceability and transparency** have always been fundamental elements in Ferrero's approach to sustainable palm oil and, since 2018, every six months we publish the list of mills from which we source our palm oil.

In line with our commitment, we are pleased to publish our latest list of mills¹ related to January to June 2024. For the total volume sourced² during this period 100% of the volume was RSPO physically certified, 96.4% as segregated, and 3.6% mass balance.

¹ This report reflects a simplification of our reporting approach and covers palm oil mills only, not plantations (information on plantations is available on request after internal validation process). Keebler mills are not listed in this report due to the complexity of consolidating information on supply chains that remain under integration into the Ferrero Group. Details are available on request.

² Figures relating to total palm oil volumes refer to all Ferrero Group's Brands, including acquired ones.
