

PALM OIL SUPPLIERS & MILL LISTS

July – December 2022

FERRERO'S COMMITMENT TO THE RESPONSIBLE SOURCING OF PALM OIL IS AT THE CORE OF OUR STRATEGY:

- **Sourcing palm oil that is 100% RSPO Certified Segregated (SG) and traceable back to plantations**
- We are aware that the palm oil supply chain faces environmental and social challenges and, through active collaboration with NGOs, key stakeholders and suppliers, we work to secure a 100% deforestation-free, and exploitation-free palm oil supply chain with actions that go beyond basic requirements and certifications.
- **Traceability and transparency** have always been fundamental elements in Ferrero's approach to sustainable palm oil and, since 2018, every six months we publish the list of mills from which we source our palm oil.

Information related to acquired brands is included when available as part of the post-acquisition integration process.

We also disclose all fresh fruit bunch (FFB) sources (plantations including smallholders) and the Universal Mill List identification numbers to easily identify and track our sources. In line with our commitment to transparency and to extend our commitment to source only sustainable palm oil that is 100% RSPO Certified Segregated to all acquired products that have joined the Ferrero extended family, we are pleased to publish our latest list of mills related to:

- Ferrero's products (not including acquired brands): 100% RSPO Certified Segregated sustainable palm oil
- Acquired brands: **Thorntons**, the brands that were part of **Nestle's chocolate business in the United States** and **Ice Cream Factory Comaker**: transitioned to 100% RSPO Certified Segregated sustainable palm oil. **Fannie May & Eat Natural**, conventional and certified palm oil: under transition to 100% RSPO Certified Segregated sustainable palm oil.

Our next mills list publication, covering the period January-June 2023, will include Keebler (an acquired brand previously part of Kellogg's North American snacks business) which is currently integrating into the Ferrero group.

By combining both Ferrero and acquired products, between July to December 2022 the Ferrero Group sourced **99.93%** RSPO Certified Segregated palm oil and 0.07% conventional palm oil. Of this total, **99.92%** is traceable back to plantations.
